

## Index

- Best fitting line 78
  - Equation of 78
- Compound interest 6
- Compound interest formula 8
  - derivation of 10 – 13
  - use of 7, 32, 34
  - problems on 8 – 10, 34
- Completing the square 71
- Computation of true interest rate 58
- Continuous compound interest formula 41
- Deviation I 67
- Deviation II 70
- Egyptian's multiplication 4
- Exponential equations 32
- Functions 42
  - linear functions 42, 44
  - quadratic functions 71
  - iterating functions 59, 62
  - pieces-wise linear functions 52, 54
- Graph of an equation 43
- Installment purchase 13
- Installment purchase formula 13, 21, 22
  - derivation of 18
  - uses of 14, 15, 62 – 65
  - problems on 15 – 17, 37, 66
- Iterating function 59, 62
- Linear equations 25
- Literal equations 28
- Logarithms 33
- Mean 75
- Minimizing quadratic functions 70
- Monthly payment formula 14
- Natural logarithm 38
- Piece-wise linear function 52, 54
- Properties of exponents 31
- Properties of equality 25
- Properties of numbers 1
- Quadratic functions 71
  - Minimizing 70
- Rate of change 43
- Regression line 78
- Savings program 23 – 24
  - formula for 23
  - monthly contribution 23
